Recent Regimen G Press Release

PRESS RELEASE · 5 MINUTE READ · MAY | 30 | 2023

Sean M. Healey & AMG Center for ALS Announces First Participant Dosed in Regimen G of the HEALEY ALS Platform Trial Evaluating DNL343 by Denali Therapeutics

.....

“We look forward to testing DNL343 for people with ALS. By starting enrollment for Regimen G, we are another step closer to establishing new and effective treatments for ALS.”

Merit Cudkowicz, MD, MSc

Director, Sean M. Healey & AMG Center for ALS, Massachusetts General Hospital

Checking Site Status Online

List of Participating Sites

Many sites are expected to start enrolling for Regimen F soon. Sites marked "Recruiting" are currently enrolling participants.

Sites marked "Active, Not recruiting" are active in the Platform Trial (for example, they are following participants in ongoing regimens that have already completed enrollment) but are not enrolling new participants at this time.

Contact a study team near you to discuss enrollment opportunities

Site	State	Enrollment Status	Trial Contact Information
Mayo Clinic Florida	FL	Active, Not recruiting	Jany Paulett
Nova Southeastern University	FL	Recruiting	Donovan Mott

THE ALS ASSOCIATION/NORTHEAST ALS CONSORTIUM

Educational Webinar

UNDERSTANDING STATISTICAL AND CLINICAL SIGNIFICANCE

SPEAKERS

JINSY ANDREWS, MD, MSC
COLUMBIA UNIVERSITY

CHRISTINA FOURNIER, MD, MSC
EMORY UNIVERSITY

ERIC MACKLIN, PhD
HARVARD MEDICAL
SCHOOL

THURSDAY | 15 JUNE
4:00 - 5:00 PM ET

What do researchers and scientists mean when they describe a study as “statistically significant?” How do people with ALS and clinicians understand whether or not a treatment option is “clinically significant?” This webinar and panel discussion will provide a framework for understanding the results of ALS clinical trials, using several recent studies as examples.
